1. HISTORY

The International Golfing Fellowship of Rotary was founded in 1963. It started with a friendly exchange at a golf outing between a Rotary Club in Butlers, Pennsylvania (District 728) and a Rotary Club in Dundee, Scotland (District 101), and has since become of great interest to golfing Rotarians throughout the world,

Through the efforts of Past President of Rotary International, Carl Miller of Honolulu, Hawaii/USA; Gavin Reekie, PDG D 010 of Cupar, Fife/Scotland; Willie MacAslam, PDG D 102, Scotland, W.A.P Milne of Glasgow/Scotland and many, many others the Organization has become a highly interesting and successful fellowship.

The aim of the International Golfing Fellowship of Rotarians is to foster International Fellowship and understanding through a common interest in golf and, although the challenge of finding the World Champion is important, it must be remembered that Fellowship is of equal importance.

This guidelines/manual draws on many years of experience of organizing the World Championships and, while stating certain requirements, puts forward guidelines and suggestions that have stood the test of time or have emerged as the number of participants has grown.

HOME HOSPITALITY EVENT:

The Organizing Committee may also consider making on the evening of the second day of competition, a fellowship event.

In the spirit of international understanding and goodwill, an evening of hospitality, hosted by local Rotarians, is encouraged but not required. Small and well-organized hospitality dinners/cocktails are very much appreciated by participants. Depending on the total number of participants, efforts should be made with neighbouring Rotary Clubs. If necessary, organizers can limit the number of participants. Hospitality dinners serve also to promote IGFR to non-golfers.

NON-GOLFERS PROGRAM

Some of Partners or Guests of Rotarians that attend the IGFR are non-golfers. A suitable program should be developed to host the non-golfers with day programs on Monday, Tuesday and Thursday. These are typically day trips to points of interest in the City/Community where the IGFR World Championship is being held. A separate cost is determined for this program and paid at the time of registration

OPENING FLAG CEREMONY, PLAYERS MEETING, AGM & OPENING RECEPTION

The players meeting will take place before the first day of the competition. The competition usually begins on Monday and therefore the event will take place on Sunday Evening. The agenda for the evening will be as follows:

- 5:30 PM Flag Raising Ceremony – Outside if possible – raise IGFR, Country Flag & National Anthem
International Flag Ceremony - Parade of flags of the country of all participants
- 6:00 PM Players Meeting – Indoors with seating for all participants
Annual General Meeting (AGM) for IGFR Members only – led by the President of the IGFR
If the AGM was held on-line prior to the event this time allocation will not be needed.
- 7:30 PM Opening Reception

THE FLAG RAISING CEREMONY

An essential aspect of the proceedings is on the first evening – the Flag rising ceremony – it is the central piece not only for our guests, but also for the participants from all over the world and, in particular, for first timers.

Flags from each country represented at the championship must be available for the flag ceremony. This demonstrates the international aspect of the tournament. The Organizing Committee is responsible that all flags needed are available.

A suitable flagpole must be available in such position that all participants at the Ceremony have an uninterrupted view of the ceremonies. It is, desirable that sufficient flagpoles be available to enable the flags of all countries represented at the tournament to be flown.

The flag rising ceremony call also have a local/national touch. The incoming national flags or the parading of the participating nations flags is still a must.

School children, exchange students or representatives of charity institutions can be involved in the parading of nations flags.

It is left to the Organizing Committee to invite Government Officials, RI International Directors, District Governors, and other Guests to attend the Ceremony. Press and sponsors should attend this event.

Attendance is compulsory for Organizing Committee members and Board of Directors.

IGFR recommends to the Organizing Committee to ensure that the Flag Raising ceremony is well orchestrated and is the central piece of the week long event. This ceremony should, whenever possible take place outdoors.

PLAYERS MEETING & AGM:

The hall or conference room must be big enough to give seating to all participants with a view of the speakers. Alcoholic drinks are not to be served or made available until completion of the Player's meeting and the AGM.

Seating must be provided for the Players Meeting and the AGM.

The Organizing Committee will make sure that a qualified referee and the Directors(s) of Golf are available at the Players Meeting. Details are to be coordinated between the responsible person of the Committee and the IGFR Secretary.

At the AGM, IGFR President and directors must be given an opportunity to inform the participants about points of general interest to the audience, including information about financial matters regarding the IGFR. The Organizing Committee makes sure that during the AGM only IGFR members or Participants are present.

WELCOME COCKTAIL & BUFFET

A 'get acquainted' function to follow the Flag Raising Ceremony/Players Meeting & AGM with a special invitation for the first timers. The Organizing Committee should host drinks and buffet. The 'get acquainted' function is compulsory for both members of the Board and members of the Organizing Committee. The IGFR Secretary will provide the Organizing Committee and the board members with a list of first timers.

CLOSING CEREMONY & AWARDS BANQUET

The members of the IGFR Board, the Chairman of the Organizing Committee, and some of his team, must be present to greet members and guests as they arrive.

Speeches should be limited to the strict, minimum and any entertainment should be well chosen and short. To be coordinated with the IGFR Secretary, preceded by the flag lowering ceremonies, an Awards Banquet (Dinner) is the final function, during which the trophies will be presented at a seated dinner – cost to be included in the entry fee unless this event is sponsored by a third party.

Provisions should be made for the IGFR Flag to be passed on from the current Host to the Next years Host.

The Organizing Committee is to provide a photographer. The photographs from the Award Ceremony will be given at the end of the day, on CD, to the IGFR Secretary for loading on the IGFR Website where all participants can view these photographs as well as all others from the tournament.

Sufficient copies of leader board lists will be made available to the participants during the Award Ceremony. The leader board list should carry the logos of the most important sponsors of the tournament. Beside the Surname and first name and Hcp of the player, the nationality must also be mentioned.

The room must be big enough that everybody can be seated and that everybody can be served during the seated dinner and that microphones and other technical installations allow good communication. The necessary equipment must be made available for video shows etc.

The Championship results must be available on the same day before the farewell dinner. An IGFR Board Member will meet with the HOC to review the results before they are released/presented at the Awards Dinner.

In order that fellowship can also be cultivated during the last evening, organizers will make sure that entertainment/music will be short to allow conversations at the tables. Entertainment should be adapted to the time available.

Recommended dress: dark jacket or suit for gentlemen and party dress for the ladies or national dress.

Every three years during the banquet dinner an adequate ceremony should recognize the passing of the President's chain to the new President of IGFR. The IGFR Secretary will advise the chairman of the Organizing Committee in time. One table will be reserved for IGFR international.

4. FINANCES & BUDGET

FINANCE COMMITTEE

The Host Rotary Club must organize a Finance Committee to prepare the budget, handle registration receipts and all expenses. Tracking your progress as you go along is vital to ensure the event breaks even.

BRIDGE FINANCES

Bridging Finances – Host committees: IGFR International may loan up to \$5,000 USD or the equivalent in Euro, to the upcoming venue chair, when requested, to be refunded three months prior to the championship and/or sufficient revenue has been generated by the Organizing Committee. The treasurer of IGFR will administer such loan agreement.

BUDGET

A budget must be produced by the Organizing Committee. The IGFR Secretary will provide a copy of a previous budget to use as a means of a starting point.

PARTICIPANT ENTRY FEE

The entry fee for the tournament shall cover the green fees, IGFR assessment, souvenirs, trophies, social and dining functions and local transportation (if applicable). The entry fee should be reduced for the Partner or Guest Division as they only play 2 games of golf in the world championship instead of 3. This should be addressed when putting together the budget.

FUND RAISING AND SPONSORSHIPS

SPONSORSHIPS

In the past, a number of Rotary Clubs have assigned any excess funds from the World Championship to go towards a local community need or project. This has increased their ability to get sponsorships for the event, raise funds for their community and offset some of the costs for the tournament.

In many cases this has been quite successful and allowed the Rotarians in the Host Club & Community to feel more connected to the event. The community project can be highlighted throughout the event. All funds raised through sponsorships will also be included in the revenue/income earned for the event.

HOST RAFFLE

A Raffle can be administered by the Host Organizing Committee to benefit a charity of the Host Rotary Club. Each Rotarian participant family attending the championship is asked to bring one international gift for a raffle. The prizes are to be displayed during the competition in the House of Friendship. The Host Organizing Committee will sell tickets for the raffle during the event and the draw can be made before the end of the tournament. All funds raised through this Raffle will be used for the local charity project.

5. REGISTRATION & PAYMENT SYSTEM

CHAMPIONSHIP REGISTRATION ENTRY FORMS AND DISTRIBUTION

Informative literature will also be provided to the secretary to put on the website.

Email address lists will be put at the disposal of the organizers by the Secretary. These lists are confidential and should not be used by the organizers for commercial purpose and should not be given to any third parties, other than the Secretary of the IGFR.
